- This is a quick turnaround for me to receive information—if you are late—you will not be able to go. Dress accordingly for conference following the Dress Code information--you will not be allowed to attend if not followed. If you are not sure what to wear please contact an advisor before the conference date.
- There is **LIMITED SPACE** for this conference due to only one General Session. Permission form, medical, and registration fee will be accepted on first come first serve bases. I apologize for this inconvenience but VWCC is limited on space in their auditorium this year.

Keep in mind—you will need to pay $3.00 this year for registration.

session choices—will be assigned at the conference. Our officers will be presenting two of the session’s that day.

Students will be responsible for any work missed in their classes for that day.

Thanks,
